# Choosing the right plan for your small business

Our plan names make it easy to understand the benefits each medical plan offers by following this format:

Metal level + network name + product type + deductible + copay

Ex: *Platinum Access+ HMO 0/20 OffEx*

Blue Shield offers two plan packages to small businesses outside of Covered California for Small Business.\* Groups can offer plans from the **Off-Exchange Package** or the **Mirror Package**, but not both. Off-Exchange Package plans' names end with "OffEx." Mirror Package plans' names begin with "Blue Shield" – this is to align with the naming conventions for Covered California.

To learn more about the health insurance marketplace, visit [HealthCare.gov](https://www.healthcare.gov) or call **(800) 318-2596** [TTY: **(855) 889-4325**].

The Blue Shield Off-Exchange Package for Small Business is our flagship package and includes up to 60 plans to offer employees. You may select plans combining a variety of products and networks to offer options meeting the range of employees' needs.

The Blue Shield Mirror Package offers the same seven standardized plans that are offered on Covered California for Small Business directly from Blue Shield. Mirror PPO plans use the same Full PPO Network as off-exchange plans, and mirror HMO plans use the Trio HMO network. Plans in the Mirror Package cannot be offered alongside any plans for the Off-Exchange Package.

Choosing product types within the plan packages

- Preferred provider organization (PPO) plans
- Health savings account (HSA)-compatible PPO high-deductible health plans (HDHPs)
- Health maintenance organization (HMO) plans

## PPO plans

All of our off-exchange PPO plans are available with our Full PPO Network or our Tandem PPO Network and include providers in all 58 California counties. Tandem PPO Network is a statewide, high-performing subset of our Full PPO Network, providing the same plan benefits as the Full PPO plans at a lower price. Groups may offer Tandem PPO plans alongside Full PPO plans for added savings and flexibility. Visit [blueshieldca.com/Tandem](https://blueshieldca.com/Tandem) to see what makes Tandem such a great choice.

- Our Full PPO Network gives members access to more than 80,000 doctors and 380 hospitals (in-network).
- Our Tandem PPO Network gives members access to more than 55,000 doctors and 350 hospitals from the Full PPO network.

All off-exchange PPO plans offer the flexibility to visit a doctor or specialist without a referral. PPO members can also see non-network providers, but may incur higher costs.

\* Federal tax credits are available through Covered California for Small Business to those small business employers that qualify and purchase their coverage on Covered California for Small Business. Talk to Covered California for Small Business at (877) 453-9198, your plan representative, or your broker to discuss your options.

† Although most consumers who enroll in an HDHP are eligible to open an HSA, members should consult with a financial adviser to determine if an HSA/HDHP is a good financial fit for them. Blue Shield does not offer tax advice or HSAs. HSAs are offered through financial institutions. For more information about HSAs, eligibility, and the law's current provisions, consumers should ask their financial or tax adviser. HSA plan features may vary by institution and may be subject to change by those institutions.

## HSA-compatible HDHP plans<sup>†</sup>

Many small businesses opt for high-deductible PPO plan coverage for their employees. Deductibles are higher, but monthly rates are lower, and the plans come with an option of opening a health savings account (HSA) to help pay for qualified medical expenses.

## HMO plans

Our eight off-exchange HMO plans for small business are each available with one of three HMO provider network options: Access+ HMO<sup>®</sup>, Local Access+ HMO<sup>®</sup>, or Trio HMO. Plan designs are identical, and all specialties and levels of care are included.

- Access+ HMO plans give members access to more than 44,000 doctors and 370 hospitals.\*
- Local Access+ HMO plans give members access to more than 32,000 doctors and 330 hospitals.†
- Trio HMO plans are available in 26 counties and gives members access to 17,000 doctors from the Access+ provider network.‡

Trio HMO plans come with valuable bonus features not included with other HMO plans. Visit [blueshieldca.com/aco](https://blueshieldca.com/aco) to learn more about Trio HMO features and coverage areas.

You may offer Trio HMO plans alongside Access+ or Local Access+ plans, but Access+ cannot be offered alongside Local Access+. A business must be located in the plan's service area to offer an Access+ HMO, Local Access+ HMO, or Trio HMO plan,

and eligible employees must live or work in the service area.

## Metal levels represent the level of coverage provided with that plan

These levels are standardized for all health carriers as part of the Affordable Care Act and are based on the "actuarial value,"<sup>#</sup> which indicates the average percentage of health costs that would be covered by Blue Shield for a member.

Platinum = 90%

Gold = 80%

Silver = 70%

Bronze = 60%

## Deductible and copay are key components of a plan benefit design

A deductible is the amount a member pays each calendar year for most covered services before Blue Shield begins to pay. Specific covered services, such as preventive care, are covered before a member reaches the calendar-year deductible.

A copay is the fixed dollar amount a member pays for benefits after meeting any applicable calendar-year deductible.

† The Local Access+ HMO<sup>®</sup> network is subject to change without notice. For a complete up-to-date list of hospitals available in the Local Access+ HMO<sup>®</sup> network, please use Blue Shield's Find a Doctor tool at [blueshieldca.com/networklocalaccess](https://blueshieldca.com/networklocalaccess).

# The Department of Health and Human Services (HHS) recognizes that health plans need some flexibility in meeting the metal levels. A plan can meet a particular metal level if its actuarial value is within 2 percentage points of the standard. For example, a silver plan may have an actuarial value between 68% and 72%.

# Additional types of coverage

## Infertility coverage

Infertility treatment benefits are available as supplemental coverage on all PPO, HSA-HDHP, and HMO plans. If your business offers multiple Blue Shield medical plans for employees, the supplemental coverage will be included on all medical plans.

Coverage includes authorized professional, hospital, ambulatory center, and ancillary services, as well as drugs for the treatment of infertility that are self-administered, and injectable drugs administered or prescribed by the provider during a course of treatment.

## Specialty coverage – dental plans, vision plans,\* and life insurance plans\*

Our specialty plans offer whole-person coverage through Blue Shield for easier administration and premium savings. You can now take advantage of our bundling discount with 10% off dental and vision premiums when offered with a medical health plan.

When choosing Blue Shield specialty coverage, you can expect:

- Plan choices based on frequency of benefits, copayments, allowances, and contact lens coverage option.
- No waiting periods: employees can begin accessing care after the effective date.
- Streamlined administration: one bill, one renewal, and one point of administration for all of your plan information.

## Dental plans

Our dental networks are among the largest in the state, giving your employees access to a wide range of dental benefits.

## Vision plans

We have the largest vision network in California with nearly 7,000 providers and access to major retail chains with convenient evening and weekend hours.

Small business employers can offer two vision plan options to their employees. Groups will benefit by having more than one vision plan option, which will allow subscribers to choose the plan that best fits their needs.

## Life insurance plans

Our life insurance portfolio includes flexible plan options to offer your employees the opportunity to obtain coverage for immediate expenses, as well as longer-term obligations.

Affordable life insurance underwritten by Blue Shield of California Life & Health Insurance Company gives your employees added security during uncertain economic times and life-changing events.

Life and accidental death and dismemberment (AD&D) plans are available with or without medical coverage.

## Compare plan benefit details using our Digital Plan Comparison tool

Choose from any of our available dental or vision plans and compare benefits side by side by visiting [blueshieldca.com/employerplans](https://blueshieldca.com/employerplans).

## Dental plan design

Get more smiles with one of our PPO or HMO dental plans.

Dental PPO plan names are designed to help you and your employees choose the right level of coverage. Plan names correspond to: Deductible per person/ calendar-year maximum/orthodontic coverage/non-network reimbursement level.

Dental HMO plans are available in four levels of coverage, for which you can pick the coverage and frequency of routine and major dental services.

Dual Option Dental enables you to offer any two dental plans, including voluntary plans.

Triple Option Dental allows employees the following selection capabilities:

- 3 HMOs
- 2 HMOs and 1 PPO
- 2 PPOs and 1 HMO\*

For detailed plan benefit summaries, visit [blueshieldca.com/smallbusiness/dental](https://blueshieldca.com/smallbusiness/dental).

## Vision plan design

Vision plans operate on a PPO network with three plan categories to choose from: Basic, Preferred, or Ultimate. Each category offers multiple combinations of benefit coverage for exam copayments, material copayments, frame allowances, and contact lens benefits.

Additionally, plan names correlate to the dollar amount for copayments and allowances to help guide you to the coverage you need.

All new groups receive a two-year initial rate guarantee on their vision coverage, giving you added financial predictability for your health coverage.

For detailed plan benefit summaries, visit [blueshieldca.com/smallbusiness/vision](https://blueshieldca.com/smallbusiness/vision).

## Life and accidental death and dismemberment plan design options

Give your employees peace of mind by including life insurance with your medical coverage. Blue Shield combines life insurance with comprehensive accidental death and dismemberment (AD&D) benefits to layer coverage when your employees need it the most.

Plans are available in flat amounts, multiples of salary, or graded class. Guaranteed-issue amounts match coverage amounts.

Basic life insurance plans come with travel assistance services as a value-added program. Your employees will have access to a variety of general travel information assistance and medical assistance services when they travel over 100 miles from home or internationally.

AD&D benefits include provisions for: seat belt and airbag, special education for surviving dependents, disappearance, felonious assault, exposure, common carrier, surgical reattachment, and repatriation.

For detailed plan benefit summaries, visit [blueshieldca.com/smallbusiness/life](https://blueshieldca.com/smallbusiness/life).
