

# SMART DECISION TECHNOLOGY ONLINE PROVIDER SEARCH

## Finding the Right Doctor Is Just a Click Away With Our Online Provider Search

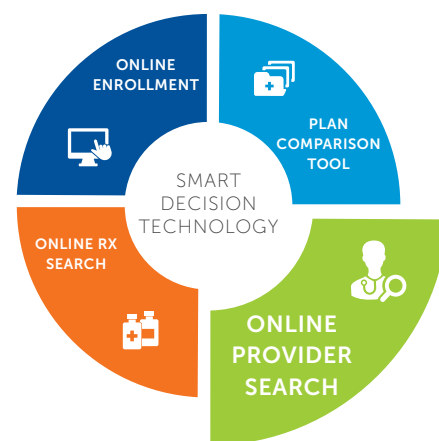

Online Provider Search from CaliforniaChoice® takes the guesswork out of finding the right doctor for your clients. It is the easiest way to know how to access their existing doctors through the **nine** health plans and collections of networks all offered through CaliforniaChoice.

When they visit [www.calchoice.com](http://www.calchoice.com), your clients can search from thousands of qualified doctors using a variety of criteria, including:

- City or ZIP Code
- Distance from home or office
- Medical specialty
- Language(s) spoken
- Health Plan and benefit plan type
- Hospital affiliation
- Medical group or IPA

Share this valuable online resource with your clients today. If they need additional support finding the right doctor, our Customer Care Team can offer assistance. Customer Care is available at [800.542.4218](tel:800.542.4218).

**Find a doctor in minutes! We make it easy.**

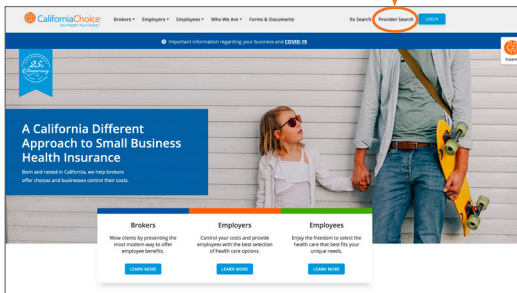

# ONLINE PROVIDER SEARCH 5 EASY STEPS

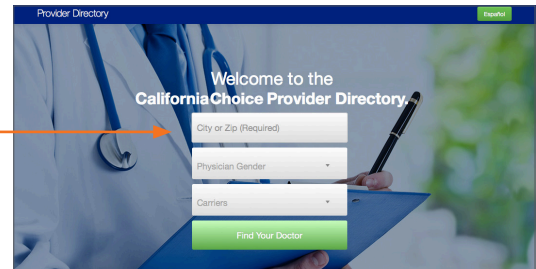

## Search all Nine health plans with one online tool!
