Why Blue Shield of California

Bundling discount and ease of administration

When adding dental or vision benefits to new or existing medical coverage, employers receive a 10% bundling discount on the dental and vision premiums.* The streamlined administration with one bill, one renewal, and one point of contact for all of your Blue Shield business allows you to focus on what's important: growing your business.

Relaxed Participation

The participation requirement for dental, vision, and life insurance plans is reduced to 25% when 5 or more employees are enrolling.

Two-year initial rate guarantee

A two-year initial rate guarantee applies to both new and existing medical groups adding a dental or vision plan, and/or life insurance.

Integrated online member experience

Employees also benefit from receiving whole health coverage by accessing all their health information on a single member portal. It has never been easier to review medical, dental, and vision benefits, see recent claims, covered dependent information, or to find providers.

Total health protection, better outcomes

More and more, employers are understanding the value of integrating medical, dental, vision, and life coverage into one simple, consolidated experience. For group members with both medical and dental coverage, the cost of health care has been consistently 3-6% lower per member per month than medical alone.

* 10% discount applies to either lines of coverage added (dental, vision, or both) to existing or new medical plans on or off anniversary. All small group dental and vision plans qualify for this discount, including voluntary plans. Discounts are applied to total monthly dental and/or vision premiums on the monthly billing statement and will remain in place unless medical coverage is canceled. Blue Shield reserves the right to cancel this discount at any time.

Our mission is to ensure all Californians have access to high-quality health care at an affordable price.

Our experience means we understand that maintaining a healthy and productive workforce is key to the growth of every small business. That's why we offer a comprehensive benefits package including medical, dental, vision, and life insurance coverage. Small businesses with one or more eligible employees can select any of our dental, vision, or life plans with or without enrolling in a medical plan.

Dental Plans

Dental coverage is the benefit most requested by employees after medical coverage. With access to some of the largest dental provider networks in the country, our dental plans can help add value to your benefits package and help your employees better manage their oral and overall health.

Find out how easy it is to combine our plans in one comprehensive package. Contact your broker or Blue Shield sales representative to help you develop a customized benefit solution.

If you have questions about existing dental coverage, the Dental Member Services team is available weekdays from 5 a.m. to 8 p.m. at (888) 702-4171

Dental Plans

Advantages worth smiling

Access to Blue Shield's dental networks

Members have access to one of the largest dental PPO or dental HMO networks in California and nationwide. This gives dental PPO members the flexibility to choose from a large number of providers in-and-out-of-network, while dental HMO members can maximize their plan's value by accessing dental care at qualified in-network providers.

Plan choice

Blue Shield offers a variety of dental PPO and HMO plans with no waiting periods. Groups can also offer voluntary options to their employees. Our flexible dual and triple options let you offer two or three dental plans.*

Dental PPO portfolio plan names for Small Business

Plan names follow the same naming convention as our medical plans – Bronze, Silver, Gold, Platinum, and Diamond – which allows you to find buy-up and buy-down options quickly.

*Dual option allows for any two dental products from our portfolio. Triple option allows for any three DHMO plans or any two DHMO plans with any one DPPO plan. An additional triple option, two DPPO plans that have an orthodontic or two DPPO plans that do not have an orthodontic benefit with any one DHMO plan, is available when purchased with Blue Shield small business medical coverage.

Dental Plans

Certain benefits are included in all plans within the same plan tier:

- ▶ Implants are included in all Silver, Gold, Platinum, and Diamond plans
- ▶ Rollover rewards are included in all Bronze, Silver, and Gold plans
- ▶ Endodontic/Periodontic treatments are covered under basic services in all plans

Orthodontic coverage option

All DHMO plans include orthodontic coverage for all ages. DPPO plans with orthodontic coverage are also offered for all ages with a \$1,000 calendar-year maximum over 24 months or as a lifetime benefit up to the ortho max amount on the plan. Bronze DPPO plans include child-only ortho benefits. See the summary on page seven for more details.

Dental implants

Dental implants* are covered as a major service under the Silver, Gold, Platinum, and Diamond DPPO plans. These plans are available to groups with one or more eligible employees and excludes a waiting period.

Voluntary dental plans⁺

For greater flexibility, our voluntary dental plans require only one participating employee, and there is no minimum employer contribution. All other (non-voluntary) dental plans require a 50% employer contribution and 65% employee participation.

Oral cancer screening benefit

All dental PPO and HMO plans include an oral cancer screening benefit covered at 100%. Oral cancer can hide below the surface, and a screening can detect cancer early and greatly improve treatment success.

Third teeth cleaning for pregnant women

Periodontal treatment during pregnancy dramatically reduces premature births. That's why we provide one additional annual cleaning for pregnant women in all dental plans. A third periodontal maintenance visit is also covered, if needed, to treat periodontal disease.⁺

Caries risk management assessment

Every child's dental coverage includes a caries risk management assessment benefit. This helps prevent or treat tooth decay.^{**}

Blue Shield member portal and app

When your employees are covered by Blue Shield, they can have access to benefit and coverage information, claims payment and status updates, and digital ID cards through blueshieldca.com once registered. For on-the-go access, they can download the Blue Shield app on their mobile device.

* Precertification of the case or proposed implant is required. Failure to obtain prior written authorization will result in a denial of claims for this benefit.

⁺ Some voluntary dental plans have a 12-month waiting period for major services. For groups selecting voluntary PPO dental that have prior dental coverage including all "major" benefits for 12 months or more, the 12-month waiting period will be waived for all initial enrollees.

^{**} Pediatric embedded dental plans do not offer caries risk management benefits as they exceed the defined "benchmark" standard set by Covered California.

Vision Plans

Advantages are plain to see

Large Network

Our vision plan members have access to a large network of ophthalmologists, optometrists, and opticians in California and nationwide.* Many of these providers are conveniently located at retail locations such as LensCrafters, Site for Sore Eyes, For Eyes Optical, and Target Optical; and wholesale or warehouse locations such as Walmart, Sam’s Club, and Costco. These locations are often open evenings and weekends, making it easier and more convenient for members to purchase frames, lenses, and contacts.

Enhanced contact lens benefits

Blue Shield offers vision plans with elective contact lens benefits which allow members to cover both contacts and eyeglasses within the same benefit period.

Vision Plus plans cover up to \$150 for both frame allowance and elective contact lenses along with a standard contact lens fitting and evaluation. No more picking between contact lenses or glasses, because both are covered.

Below are the six plans that include the enhanced benefit:

Basic	Vision Plus 0/0/150/150
Basic	Vision Plus 10/25/150/150
Preferred	Vision Plus 0/0/150/150
Preferred	Vision Plus 10/25/150/150
Ultimate	Vision Plus 0/0/150/150
Ultimate	Vision Plus 10/25/150/150

Available through a contracted vision plan administrator.

A Premium Progressive lens benefit will be included on all plans with a Frame Allowance of \$150. A standard progressive lens benefit will be included on all plans with a Frame Allowance of \$120.

Retinal Imaging

A retinal imaging exam benefit is available as a comprehensive eye exam option. This procedure removes the need for dilation and instead take a digital image of the back of the eye. The image helps an optometrist or ophthalmologist find certain diseases and check the health of the eyes.

- ▶ Available with network providers only
- ▶ Applies to all vision plans with eye exam benefit
- ▶ Member will pay additional \$39 copayment for this benefit

Low eye exam copayment on all vision plans

Annual eye exams play an important role in early detection of serious health problems including glaucoma, diabetes, and hypertension. To promote routine exams, all our vision plans have a \$0 or \$10 annual eye exam copayment.

Industry-leading lens benefits

Vision plans with a \$150 frame allowance also include coverage for the three most popular lens enhancements: premium progressive lenses, photochromic lenses, and anti-reflective coating.

Vision Plans

Voluntary vision plans

For even more flexibility, voluntary vision plans are a great option for you to offer vision coverage. Plans require one participating employee, and there is no minimum employer contribution. All other plans (non-voluntary) require a 25% employer contribution and 65% employee participation.

Coverage for sunglasses

Members who have had PRK, LASIK, or custom LASIK vision correction surgery can use their frame allowance toward any pair of sunglasses. Members only need to see a network provider and provide proof of surgery, or verify the surgery with an eye exam to qualify.

Vision Plans

Selecting the right vision plan is easy

Our vision plan portfolio offers even more choices through a few simple options:

- 1** Frequency of coverage for eye exam, lenses, and frames. Choose one of the following:
 - ▶ Basic 12/24/24
 - ▶ Preferred 12/12/24
 - ▶ Ultimate 12/12/12
- 2** Choose comprehensive exam copays: \$0 or \$10
- 3** Choose material (all lenses, frames and low-vision aids) copays: \$0 or \$25
- 4** Frame allowance – \$120 or \$150 (elective contact lens allowance equals the frame allowance)
- 5** All Vision **Plus** Plans: Contact lens coverage – \$150 allowance with covered fitting and evaluation **in addition** to regular eyeglass lenses and frames during the same benefit period.

Vision **Non-Plus** Plans: Contact lens coverage is **in lieu** of regular eyeglass lenses and frames during the same benefit period.

How to read our plan names

Plan names correlate to dollar amounts for eye exam copayment, materials copayment (lenses, frames, and low-vision aids), and frame allowance.

Example: Basic Vision 0/0/120

Plan offers a \$0 annual eye exam copayment, a \$0 materials copayment, and a \$120 frame allowance. For Vision Plus plans, the fourth “note” reflects the additional contact lens allowance. Example: Ultimate Vision Plus 0/0/150/150 offers a \$0 annual eye exam copayment, a \$0 materials copayment, a \$150 frame allowance, and a \$150 contact lens allowance.

Other vision benefits included in our plans

- ✓ Retinal Imaging – \$39 copay
- ✓ Plano (non-prescription) Sunglasses – same copay and allowance as frames
 - ▶ In lieu of eyeglass frames for members who have had PRK, LASIK, or custom LASIK vision correction surgery only. An eye exam by a network provider is required to verify laser surgery, or a note from the surgeon who performed the laser surgery is required to verify laser surgery.
- ✓ Standard Progressive Lenses (no-line bifocals) are available on all plans with a \$120 frame allowance at the same material copay

Premium Progressive Lenses (no-line bifocals) are available on all plans with a \$150 frame allowance at the same material copay

Standard lenses include:

- 1 Single Vision
- 2 Bifocal
- 3 Trifocal
- 4 Lenticular

The voluntary vision plan requires one or more enrolled employees.

When the network provider uses wholesale or warehouse pricing, the maximum frame allowance will be as follows: Wholesale allowance (\$75.47-\$99.06) and warehouse allowance (\$78.96-\$103.64). Note that this pricing replaces the frame allowance shown in the Summary of Benefits (\$120 and \$150), the wholesale equivalent to the standard allowance. If a more expensive frame is selected at a provider location that uses wholesale or warehouse pricing, the member is responsible for the additional cost above the wholesale or warehouse allowance. Network providers using wholesale pricing are identified in the Directory of Network Vision Providers. Any cost over the allowable amount is the employee's responsibility. This is only a summary of plan benefits. Please refer to the Evidence of Coverage and Summary of Benefits for a complete description of benefits, limitation, exclusions and other terms and conditions of coverage.

All LifeReferrals 24/7 services are confidential and available for 12 months following the activation of the benefit. LifeReferrals 24/7 representatives will guide callers to the appropriate expert, depending on the needs or concern.

Grief counseling

- ▶ Licensed counselors can be requested for three face-to-face meetings in any six-month period. All counselors are master's-level clinicians. Unlimited telephone consultations are available 24/7.

Financial Coaching

- ▶ Bereavement can also raise a number of challenging financial issues. LifeReferrals 24/7 includes a financial advice service to guide you through planning the future. Members are eligible for two 30-minute telephone consultations per issue per year for topics such as budgeting, college and retirement planning, loans, and mortgages.

Legal Assistance

- ▶ Suffering a loss can be made even more challenging by complex legal situations including will readings and probate court. Referrals are available to legal experts to help guide you through the process. You are eligible for one 60-minute consultation with an attorney per issue and one 60-minute consultation with a mediator per issue. You will also receive a discount of up to 35% on any additional consultations with those same providers.

Plan design and rates

Basic life and AD&D insurance is an integral part of a complete benefits package. Groups as small as two eligible employees can obtain life insurance whether or not they have health coverage. All employees within the group are eligible for life insurance even if the group has multiple health plan carriers.

Plan guidelines	
Eligible employees	Flat benefit amount (no Evidence of Insurability is required)
2-9	\$15,000 to \$50,000 in increments of \$5,000
10-24	\$15,000 to \$100,000 in increments of \$5,000
25-50	\$15,000 to \$150,000 in increments of \$5,000
51-100	\$15,000 to \$150,000 in increments of \$5,000 or a maximum of \$175,000 or \$200,000

Plan designs

Flat amount

All employees are covered at the same flat amount, for example, \$25,000.

Multiple of salary

All employees are covered for the same multiple of salary up to a maximum amount. See the chart below for the maximum benefit amounts.

Graded schedule

Employees are divided into classes (up to four) that have different levels of benefits. The benefit amount for each class must be no more than 2.5 times that of the next lower class. Classes can be either flat or multiple of salary, and this selection can vary for each class.

Maximum benefit amounts					
Eligible employees	Multiple of salary	Up to Maximum Benefit Amount (no Evidence of Insurability is required)			
2-9	1X or 2X	\$30,000 or \$50,000			
10 to 100	1X or 2X	\$50,000	\$75,000	\$100,000	\$125,000
		\$150,000	\$175,000	\$200,000	\$250,000
		\$300,000			
	2X	\$350,000	\$400,000	\$450,000	\$500,000
51-100	2X	\$550,000	\$600,000		

Additional plan rules

Here are just a few of the plan guidelines.

- ▶ Rates for groups with 2-9 eligible employees are based on age banded rating structure. Rates for groups with 10-100 eligible employees are based on a composite rating structure.
- ▶ Benefit amount is reduced to 65% and 50% of the original amount at ages 65 and 70, respectively. Benefits terminate at retirement.
- ▶ Minimum employer contribution is 25% of premium.
- ▶ Minimum of two eligible employees must enroll.
- ▶ If employer pays 100% of premium, participation must be 100%.
- ▶ If employer contributes less than 100% of premium, participation must be 65% or greater.
- ▶ Full benefit for accidental loss of life. Benefits for all losses resulting from the same accident may not exceed the full benefit.
- ▶ Waiver of premium provision allows for continuation of life insurance coverage without payment of premium if the insured employee is totally disabled prior to age 60.
- ▶ Beneficiaries are designated by the insured employee. Employers are responsible for maintaining the designations for their employees.

Additional product features

Accelerated death benefit (ADB)

Allows advanced payment of death benefits in situations where the insured employee is terminally ill (12-month life expectancy or less). Individuals may elect to withdraw an ADB benefit in \$1,000 increments, subject to the following minimums and maximums.

- ▶ Maximum allowed is 50% of benefit or \$50,000, whichever is less.
- ▶ Minimum allowed is 10% of benefit or \$5,000, whichever is greater.
- ▶ Minimum of \$15,000 in coverage is required to receive ADB.

Dependent life insurance (optional)

- ✓ Life insurance is provided for an insured employee's spouse, domestic partner, and/or children.
- ✓ The employee must purchase basic life insurance in order for dependent life insurance to be available.
- ✓ Coverage amounts for spouse/domestic partner and children will be equal and cannot exceed 50% of the employee's benefit. One rate covers all dependents.

For group of 10+ eligible employees
