Subject: RxDC Reporting to CMS for June 1, 2026

Deadline: May 5, 2026

This Memorandum pertains to the federally-required **RxDC Report** for Employer Groups and Trusts enrolled in MediExcel Health Plan (MEHP) Coverage on a fully insured basis.

For 2026, MEHP will again submit the **RxDC report** directly to CMS. MEHP is referred to as the reporting entity for all employer groups and trust accounts with MEHP enrollees. Based on the January 2025 RxDC reporting instructions (see attached link [Prescription Drug Data Collection \(RxDC\) | CMS](#)) and the 2025 implementing guidance from CMS, RxDC reporting will be limited to all the healthcare services rendered in the US. As such, the only RxDC reporting data elements are the prescription drugs associated with emergency/urgent care services in the US since healthcare utilization outside the US shall be disregarded.

MEHP believes it has most of the employer information necessary to submit the required CMS RxDC reports (plan list and data files P2, D1-D8, and narrative report) for the enrollees with MEHP coverage during **2025**.

The only two data elements that MEHP does not have are as follows:

- 1) **Employer Share** of Average Monthly Premium Contribution for MEHP (for both enrolled employees and enrolled dependents) (**in %**); and
- 2) The Trust/Employer Group **Form 5500 Plan number** (if applicable).

MEHP already knows your total average premium for your MEHP coverage (we just need your **employer share** for the total premium of employees and dependents collectively). Once we know the Average Monthly Premium Percent Contribution by Employer, we can calculate the Average Member Premium Contribution as required by Data File #D1. If this information is not provided by **May 5, 2026**, MEHP will use an estimate based on historical data.

If your Trust/Employer Group has Form 5500 Plan # (from the feds), we will need it also.

Please send an email to rxdc@mediexcel.com as soon as possible (but no later than **May 5, 2026** with the name of your Employer Group/Trust in the subject line. In the Subject line, please include your **Employer Group name** and **MEHP Group Number**. In the body of the email please include the **Average Monthly Employer Contribution Percentage** as a percent and your **Form 5500 Plan number** (if you have one). You will receive an acknowledgement email from the rxdc@mediexcel.com email account.

Please let me know if I can provide additional information to help you.

Sincerely,

Jim Arriola
