

Employer 2020 IRS Reporting Prep Webinar

This webinar will help you prepare for required employer 2020 reporting to the IRS (in 2021) using Forms 1094-C and 1095-C.

As part of my commitment to supporting you and your business, I want to invite you to a **free compliance webinar** on required Affordable Care Act (ACA) employer reporting to the Internal Revenue Service (IRS).

Employer reporting can be daunting, and I believe this webinar can help you.

Why You Should Attend This Free Webinar

Required Reporting by ALEs

Reporting is mandatory for Applicable Large Employers (ALEs). ALEs are employers with 50+ FTEs, who are subject to the ACA's employer mandate and reporting responsibilities.

Find Out Who's Affected and the Deadlines

Learn who is affected, the deadlines for reporting, and give your HR staff the opportunity to earn available HRCI and SHRM credits.

Employer Signature Required

Each employer — not an ACA reporting vendor — must sign Form 1094-C. We'll help you understand how to correctly complete the form.
