

A photograph of a family: a woman with long brown hair in a ponytail, wearing a blue long-sleeved shirt, holds a baby in a red long-sleeved shirt. A man with a beard and grey hair, wearing a grey long-sleeved shirt, is leaning into the open door of a light-colored car, touching the baby's head. A large, thick purple heart outline is superimposed over the entire scene.

\$750
COVERAGE FOR
Everyday Care

Don't let out-of-pocket costs get in the way. You can still get the care you need with the Aetna **Upfront Advantage plan**. It can help you pay out-of-pocket costs before you meet your deductible.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company, Aetna Health of California Inc., and their affiliates (Aetna).

So many ways to save

With the Aetna Upfront Advantage® plan, you don't have to worry about meeting your deductible before getting help with medical costs. Each year, you'll get:

- **\$750 of coverage for yourself; or**
- **\$1,500 of coverage for your family**

And you'll never have to manage a health savings account (HSA)* or a health reimbursement arrangement (HRA) account.* You won't have to submit receipts to get reimbursed either. The Aetna Upfront Advantage plan is a great alternative to a HSA or a HRA account.

Everyday Care in-network services:**

- Primary care physician (PCP) and behavioral health (in-office visits and telehealth)
- Urgent care
- Services performed at walk-in clinics, including MinuteClinic® locations
- Lab work and X-rays performed in a PCP office or nonhospital freestanding facility
- Generic medicines (if your coverage includes an Aetna® pharmacy plan)

Stuart's savings

With the Aetna Upfront Advantage plan,
Stuart got these health services at no extra cost:***

- Urgent care for sprained ankle **\$160**
- PCP visit for strep throat with lab testing **\$190**
- Behavioral health virtual visits **\$150 X 2 = \$300**

His only out-of-pocket cost was for this service:

- Specialist visit to manage diabetes **\$200**

Without the Aetna Upfront Advantage plan,
Stuart would have paid \$650 out of his own pocket.
