Looking for a doctor?

Finding one online is fast and easy

Use our online **Find a Doctor tool** to look for doctors, hospitals, labs and other health care providers in your Anthem Blue Cross plan. Check if your favorite doctor is part of your plan, or look for one near you. Avoid getting care from doctors outside of your plan if you can — it will cost you more or your plan may not cover it all.

All CalCPA Health medical plans utilize the Anthem Blue Cross network of providers. Follow the steps below to find an in-network provider.

Visit anthem.com/ca and go to “Find a Doctor”

If using “Search as a Member”,
simply log in with the profile you created and search for a provider - the network you belong to will be pre-selected.

For Select PPO/HSA plans in California,
choose Select PPO.

If using “Search as Guest”,
you must select one of the following networks:
