Online counseling is not appropriate for all kinds of problems. If you are in crisis or have suicidal thoughts, it's important that you seek help immediately. Please call 800-273-8255 (National Suicide Prevention Lifeline) or 911 and ask for help. If your issue is an emergency, call 911 or go to your nearest emergency room.

Sydney Health is offered through an arrangement with Carelon Digital Platforms, a separate company offering mobile application services on behalf of your health plan.
