

Salud con Health Net

COMMUNITY CENTERED. DIVERSITY FOCUSED. BUDGET FRIENDLY.

Salud HMO y Más

Diversity among California residents continues to expand. So does the demand for quality health coverage that meets their needs. This is why Health Net's Salud HMO y Más was designed – to provide a go-to option for your clients and their employees.

Salud HMO y Más offers a unique, affordable health coverage package that combines Health Net's strong background in serving diverse populations with a quality benefits package. This makes for a budget-friendly health care coverage solution your clients will value.

Salud plans are a great way to attract and retain group clients in all or parts of Kern, Los Angeles, Orange, Riverside, San Bernardino and San Diego counties.

Salud HMO y Más gives you an edge by:

Helping boost your sales in new regions with consumer-centric products.

Offering a complete benefits package and employer affordability – for both large and small group businesses.

Giving you the flexibility to sell on its own or alongside any of our other plans and networks.

Offering access to providers in Mexico through SIMNSA.

(continued)

Cross border coverage available

Salud HMO y Más members and their dependents can receive medical care from participating SIMNSA doctors and facilities in Tijuana and Mexicali at lower copayments and without referrals.

This excludes SIMNSA urgent care centers in San Diego.

SIMNSA treating physicians will coordinate all care in Mexico. SIMNSA is a Mexican pre-paid health plan licensed by the California Department of Managed Health Care.

Community leader

Health Net has been serving Californians for more than 40 years. We have a solid standing within the communities where we live and work. And, our knowledge about the diverse needs of these communities grows stronger each year.

Scripps Health

For our San Diego members:
In addition to the robust group of providers currently in Salud, we recently added Scripps Health in San Diego.

What does this mean for you and your employees?

- ✓ **National Recognition**
Scripps is a strong, respected network ranked among the top health systems in the nation.
- ✓ **An Expanded Network**
Scripps brings an additional 950 physicians at 21 clinics and five hospital campuses across San Diego County.
- ✓ **Convenient Access**
Scripps offers many options for same-day and after-hours care including Scripps HealthExpress, urgent care centers, telemedicine, and hospital emergency rooms.

Health Net has received the Multicultural Health Care Distinction by the National Committee for Quality Assurance since 2012. Health Net was the first health plan in California to earn this distinction for all lines of business including: Commercial, Marketplace, Medicare and Medi-Cal.
