

# Bundle up

Get more and save more when you bundle.

## Dental or Dental + Vision

Improving smiles, lowering cost for employers with 2–100 employees

See big savings and get a premium credit on your dental bill when you add dental or dental and vision\* to your medical plan.

### Why bundle?

- Increased member engagement
- More identification of at-risk members
- Increased participation in care
- Simplified administration — one contact for health, dental and vision products

### And your employees get:

- Integrated digital tools
- Enhanced benefits
- A total health approach

Up to **\$750 credit\*\***

Group size	Credit amount
2–4	\$125.00
5–9	\$250.00
10–24	\$500.00
25 plus	\$750.00

\*Only available in state of California. Credit is only applied once and will appear on the third invoice from the group's effective date.

# The Aetna Dental/Medical Integration<sup>SM</sup> (DMI) program

**Better outcomes for employees,  
lower costs for you.**

The Aetna DMI program is easy for you and your employees. It's a seamless process for Aetna Dental<sup>®</sup> plans and Aetna<sup>®</sup> medical coverage. Our system automatically identifies employees who can benefit most from enhanced dental care.

And to keep it simple, no enrollment paperwork is required.

## **Aetna DMI program features:**

Enhanced dental benefits

A dedicated dental care team to help manage your care

Follow-up support and education on gum disease

## **Employees who participate in the program may have:**

- Lower medical claims costs
- Fewer hospital admissions
- Improved diabetes control
- Fewer pre-term deliveries
- Cost-saving preventive care

## **Start saving**

Call your Aetna representative to see how much you can save by adding dental or dental and vision to your plan offerings.

**Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).**
