Please attach another sheet if you need more space to list dependents. COBRA coverage is only available to those persons who were enrolled on the policy the day before the Qualifying/Triggering Event occurred. Newly eligible dependents must be added within 30 days of becoming eligible (date of birth/adoption or date of marriage/domestic partnership). Dental, Chiro and Vision are only available to you if the employer group offers them. If you check off a column that the group does not offer, or that you were not enrolled on prior to your Qualifying/Triggering Event date, you will not be enrolled on that coverage under COBRA.

Please read and sign below

I hereby apply for continuation of my coverage and those eligible members of my family listed above in the group health plan provided through ChoiceBuilder® for which I was covered on the date prior to the Qualifying/Triggering Event. I understand that I must immediately notify the employer from whom I obtained continuation of coverage upon: becoming covered under any other group health plan; becoming eligible for Medicare benefits; or if, as a former spouse of the subscriber, I remarry and become covered under the new spouse's group health plan. I understand that it is my responsibility to report to ChoiceBuilder any change in the eligibility of my dependents; that the benefits and services of this plan are coordinated with those provided by any group hospital or medical benefit or service plan; and that any controversy between any member and health plan (including its agents, staff physicians, employees and providers) involving a claim in tort, contract or otherwise, is subject to binding arbitration.
