**IMPORTANT NOTE:** AN EMPLOYEE MUST RESIDE IN THE HEALTH PLAN'S SERVICE AREA TO BE ELIGIBLE FOR COVERAGE BY THAT HEALTH PLAN. RATING IS BASED ON THE EMPLOYER ZIP CODE/COUNTY.

County and ZIP Code rating areas may be found on the "County Service/Rate Area Index" and "ZIP Code/Service Detail by Rating Area" pages.

### **INSTRUCTIONS:**

- 1)** Use the Employee's resident ZIP Code/County to determine service area availability by referencing the "County Service/Rate Area Index" table and the "ZIP Code/Service Detail by Rating Area" for each Employee. Go to the correct area table to determine the health plans that offer services in the Employee's resident ZIP Code/County.
- 2)** Use the Employer ZIP Code/County to determine the correct rate/service area table. Go to the correct rate/service area table to calculate the rates for each health plan available to the Employee.
- 3)** Use the Employee's age and age of each dependent to determine the rate for each of them.
- 4)** If the Employee has more than three (3) dependent children under the age of 21, premium rates are only charged for the three (3) oldest dependents under the age of 21.
  - 4a) If the Employee has dependent children ages 21-25, premium rates are charged for each dependent based on age of dependent.
  - 4b) Add the rates for the Employee and each applicable dependent to determine the total premium (example: (EE premium + premium for 3 oldest dependents age 0-20 + premium for each dependent age 21-25 = total premium).
