

QUOTE, ENROLL, AND MANAGE YOUR BUSINESS AT CALCHOICE.COM

It's easy to quote new groups, manage your existing ones, and view client enrollments and renewals at calchoice.com.

Manage Your Groups from Quote to Renewal

- **Quoting:** Run initial, enrollment, or new hire quotes – and email quotes directly to your clients
- **Online Enrollment:** Start an enrollment and check the status of a group's enrollment
- **Account Management:** Keep track of your quotes, sales, and commissions; stay up to date on group payments, renewals, add-ons, and terminations; order ID Cards for employees

Your Personalized Dashboard

Calchoice.com puts all of the information and tools you need most front and center. Your customized dashboard includes your:

- CaliforniaChoice premiums
- Commissions
- Inforce groups
- Upcoming renewals
- Recent activities
- Support team contacts
- Product announcements
- Other important information

Decision-Support Tools

At calchoice.com, you have access to online support tools to help your clients and their employees make informed health care decisions, including:

- **Plan Comparison Tool:** Helps employees match their needs to available plans
- **Online Provider Search:** Find a doctor by ZIP Code, health plan, and other criteria
- **Online Rx Search:** Look up prescriptions by brand, generic name, or health condition
