# Useful definitions

## PMG/IPA

A participating medical group (PMG) or independent practice association (IPA) is a group of physicians organized as a legal entity that provides services to health maintenance organization (HMO) members.

## Prime code

Anthem's identifying number for its contracted PMGs and IPAs.

## County

Primary county where the PMG or IPA offers services. A medical group's primary location or headquarters may be based in one county with satellite offices in other counties.

## CaliforniaCare

Anthem's broad HMO network for the state of California.

## Select HMO

This network is built around those PMGs and IPAs demonstrating highly efficient practice patterns and hospital referrals.

## Priority Select HMO

This network is built around those PMGs and IPAs demonstrating very efficient practice patterns and hospital referrals in these Southern California counties: Los Angeles, Orange, Riverside, San Bernardino, and San Diego.

## Vivity

Vivity is a first-of-its-kind health plan in Southern California. Top-ranked health systems have come together with Anthem to create a value-based-care model that delivers a seamless member experience with quality, coordinated, and cost-effective care. Vivity offers unique features that expand access and choice of providers within Vivity's network of PMGs and IPAs.
