If you are currently receiving treatment and (i) a new WHA member or (ii) an existing WHA member whose physician has terminated with WHA, you may request to temporarily remain with your existing physician. Please see the back for more information about what continuity of care is and if you may be eligible. To request continuity of care, complete this form for each physician you want to retain. If you do not have a qualified continuity of care issue, you may still request assistance in changing to WHA providers by using this form. Turn this form into WHA as soon as you know you will need continuing care (if new) or of when your physician terminated with WHA. WHA will let you know if you qualify for continuity of care.

For **Behavioral Health** continuity of care requests, please call Optum Behavioral Health, at 800.765.6820. In order to verify if a current provider is in Network, Optum's network directory is searchable on www.liveandworkwell.com. Please use access code: **WHA**.

WHAT IS CONTINUITY OF CARE?

In certain circumstances (below), you may temporarily continue care with a physician who is not part of WHA's network (a "Non-Participating Provider"). If you are being treated by a provider who has been terminated from WHA's network, or if you are a new Member who has been receiving care from a Non-Participating Provider, you may continue care with that provider if you meet the continuity of care requirements explained below.

CONTINUITY OF CARE REQUIREMENTS

In order for you to be eligible for continued care, the Non-Participating Provider must have been treating you for one of the conditions listed below. Individual circumstances will be evaluated by the Medical Director on a case-by-case basis.

- An acute condition: a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of covered services shall be provided for the duration of the acute condition.
- A serious chronic condition: a serious chronic condition is a medical condition due to disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure, worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Covered services will be provided for the period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by WHA in consultation with the member and the terminated provider or Non-Participating Provider, consistent with good professional practice. Completion of covered services under this paragraph shall not exceed twelve (12) months from the contract termination date or twelve (12) months from the effective date of coverage for a newly enrolled member.
- A pregnancy (care continued for the duration of the pregnancy and the immediate postpartum period including a documented maternal mental health condition (care continued no longer than twelve (12) months from the end of the pregnancy).
- A terminal illness: an incurable or irreversible condition that has a high probability of causing death within one year. Care shall be continued for the duration of the terminal illness.
- Care of a newborn child whose age is between birth and thirty-six (36) months. Care shall be continued for up to twelve (12) months.
- Performance of surgery or other procedure that has been authorized by WHA (or its contracted medical group) as part of a documented course of treatment that is to occur within one hundred eighty (180) days.

NOTE ABOUT PROVIDERS

WHA and/or the medical group may require the Non-Participating Provider to agree to WHA's credentialing, hospital privileging, utilization review, peer review, quality assurance and compensation terms. If the Non-Participating Provider does not comply with these contractual terms and conditions, you will not be eligible to continue care with that provider.

If you have questions about Western Health Advantage's continuity of care policy, please call our Member Services Department at 916.563.2250 (888.563.2250 toll-free) or 711 for TTY.
