

Delta Dental's broker rewards program for small groups

Shine brighter with our rewards program

Enroll in Delta Dental's¹ broker rewards program for small groups at ddsbrewards.com, and you could earn additional compensation for selling and retaining eligible groups of 2-99 lives, including those in our Small Business Program.

How does it work?

Qualify by retaining at least 92% of your book of business through 2022 and meeting a new sales reward level. If you do both, you'll earn a bonus for each.

New to selling Delta Dental? No problem, in that case your new sales alone qualify.

Retention of existing small business groups

	Retain 92%-96.9%	Retain 97%-100%
Bonus	3%	4%

¹Applicable for groups covered by the following companies: Delta Dental of California — CA, Delta Dental of the District of Columbia — DC, Delta Dental of Pennsylvania — PA & MD, Delta Dental of West Virginia, Inc. — WV, Delta Dental of Delaware, Inc. — DE, Delta Dental of New York, Inc. — NY, Delta Dental Insurance Company — AL, FL, GA, LA, MT, NV, TX and UT, Alpha Dental of Alabama, Inc. — AL, Alpha Dental Programs, Inc. — MD and TX, Alpha Dental of Nevada, Inc. — NV.

New sales bonuses are based on number of new groups or total new premium received for effective dates in 2022. As you sell more, and retain your existing business with Delta Dental, your rewards grow. And this rewards program is on top of your existing standard small business commission.

Rules of the program

- You must be enrolled in order to participate in this program.
- If you have an existing book of business, retention goal must be met to be eligible for both new sales and retention bonuses. Meeting or exceeding retention goal alone will not entitle you to additional compensation for new small business group sales.
- Sales must be new to Delta Dental, meaning the small group must not already offer a Delta Dental plan in our enterprise states (AL, CA, DC, DE, FL, GA, LA, MD, MT, NV, NY, PA, TX, UT, WV) to be eligible for the new sales bonus.
- Rewards will be calculated after December 31, 2022 and payouts expected in Q1 2023. Groups are considered retained if they were active on January 1 and remained active on January 1 of the following year. Premium must have remained active through January of the following year in order to qualify.
- To receive a bonus, brokers must be the broker of record at the end of the year, must be in good standing, appropriately licensed and appointed, and comply with all applicable laws and regulations, including without limitation, those that apply to disclosure of compensation.
- Brokers with business in any of our enterprise states will have sales combined across states for qualification and calculation of bonus payouts.
- If a group has a commission split, the premium will be applied to bonus calculations using the split percentage between paid brokers.
- Premiums can be aggregated between states or associated broker agencies wholly owned by a single entity. Aggregate preferences for an entity are binding once confirmed.
- If a group has a paid and a non-paid broker of record, the paid broker will have 100% of premium equally distributed and applied to bonus calculations, and the non-paid broker/consultant will have 0% premium applied.
- If a group has a non-paid broker/consultant only, the non-paid consultant will not be compensated.
- General Agents will not be eligible to qualify for broker rewards.
- There is an agency annual cap of \$200,000.
- Delta Dental's determination of eligibility and bonus level is final and at our sole discretion.
- The bonus program may be terminated at any time and notice will be provided in writing via the small business rewards dashboard.
