Sharp Health Plan Employer Statement of Understanding

Application is hereby made for a Sharp Health Plan contract. This is an application only. Issuance of a Group Agreement is subject to receipt of first month's premium and review and approval by Sharp Health Plan. All eligible employees and dependents (if dependent coverage is offered by employer) will be offered this benefit package.* If accepted, the employer agrees to make required payroll deductions based upon the contributions established herein for all employees who enroll in this plan. The applicant also agrees to notify all eligible employees of their ability to enroll in the plan after their waiting period.*

Sharp Health Plan shall provide the employer group with copies of the Member Handbook, Provider Directory, supplemental benefits brochures (if applicable), other required plan materials, and copies of all amendments to such documents. I understand that the employer group is responsible for the prompt distribution of these required materials to enrolled employees.

I attest that this employer is not a small employer, as defined in Health and Safety Code Section 1357.500 (i.e., employs more than 100 employees). Subsequent to the issuance of a health care service plan contract and for the purpose of determining eligibility, the size of the employer shall be determined annually at the time of the plan contract anniversary. The employer group will notify Sharp Health Plan within 30 days if the group size changes to small, as defined in Health and Safety Code Section 1367.500(k).

I understand that if I performed an act or practice constituting fraud or made an intentional misrepresentation of material fact in conjunction with this application, Sharp Health Plan may, following notice, cancel or rescind the plan contract.

I certify that all the information contained in this application is true, correct and complete to the best of my knowledge and all participation requirements have been met. I certify that all coverage, enrollment provisions, eligibility requirements, benefits, limitations and exclusions have been thoroughly explained to eligible employees. I certify that I have read, understand and concur with the provisions of the Employer Statement of Understanding above.

Verification of eligibility: Verification of eligibility does not guarantee payment of claims. Retroactive eligibility changes supercede verifications of eligibility.

Mandatory Binding Arbitration: I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure, or the ERISA claims procedure regulation, and any other claims that cannot be subject to binding arbitration under governing law), any dispute or controversy which may arise under this agreement between the employer group and Sharp Health Plan, or any Sharp Health Plan-contracted health care providers, administrators, or other associated parties, for alleged violation of any duty arising out of or related to this agreement, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), must be decided by binding arbitration under California law. All parties to this agreement, by entering into it, agree to binding arbitration and give up the right to have such disputes resolved by lawsuit or court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Group Agreement.
