Anthem® Blue Cross

Your 2024 Contract Code: 9KFE

Your Plan: Anthem Bronze Select PPO 7050/0% w/HSA

Your Network: Select PPO

This summary of benefits is a brief outline of coverage, designed to help you with the selection process. Unless stated otherwise, the limitations for in- and out-of-network services are combined and services received in an office, Ambulatory Surgical Center, or outpatient facility are combined across all outpatient settings. This summary does not reflect each and every benefit, exclusion and limitation which may apply to the coverage. For more details, important limitations and exclusions, please review the Evidence of Coverage (EOC). If there is a difference between this summary and the Evidence of Coverage (EOC), the Evidence of Coverage (EOC), will prevail.

Overall Out-of-Pocket Limit <i>When you meet your out-of-pocket limit, you will no longer have to pay cost-shares during the remainder of your benefit period.</i>	\$7,050 person / \$14,100 family	\$17,625 person / \$35,250 family

The family deductible and out-of-pocket limit are embedded, meaning the cost shares of one family member will be applied to the per member deductible and per member out-of-pocket limit; in addition, amounts for all covered family members apply to both the family deductible and family out-of-pocket limit. No one member will pay more than the per member deductible or per member out-of-pocket limit.

In-Network and Non-Network deductibles and out-of-pocket limit amounts are separate and do not accumulate toward each other.

Your copays, coinsurance and deductible count toward your out-of-pocket limit. However, member cost sharing for the following service(s) do not apply toward the out-of-pocket limit: adult vision.
